Symbols

- UF Used For
- BT Broader Topic
- RT Related Topic
- SA See also
- NT Narrower Topic

Use of these symbols in the expression of relationships between headings is explained in the Introduction.

For those libraries maintaining manual card catalogs, the following may be used as a guide.

The change in codes for cross references does not require users to alter the style of cross reference cards made for card catalogs.

The USE and UF can be translated into “see” and “see from” respectively.

The BT and RT can be translated into “see also from”.

The SA and NT can be translated into “see also”.

- Rain forests** (*May Subd Geog*)
 Here are entered works on forests consisting primarily of tall, broad-leaved evergreen trees located in areas of high annual rainfall chiefly, but not exclusively, in the tropics. Works on areas of luxuriant, impenetrable vegetation occurring where light penetrates along tracks or riverbanks in tropical areas or as second growth vegetation where tropical forests have been cleared are entered under Jungles.

- Rhodesia**
Here are entered works limited in subject coverage to the historical, political, or cultural aspects of the two former British colonies of Northern and Southern Rhodesia combined for the pre-1953 period. Works dealing with these same aspects of the Federation of Rhodesia and Nyasaland for the 1953-1963 period are entered under Rhodesia and Nyasaland. All works covering the same area for which these limitations do not apply are entered under the name or names of the current jurisdictions, Zambia and/or Zimbabwe.

 †M1625-M1626j
 Here are entered collections of sacred musical works in which spoken language is an integral part. Individual works and collections for a specific medium are entered under the heading followed by specification of medium. The specification (Instrumental ensemble) stands for two or more different solo instruments; (Voice) for solo voice of high, low, or medium range; and (Chorus) for men's, mixed, women's, or children's voices in two or more parts. Collections of secular, or sacred and secular, musical works in which spoken language is an integral part are entered under Monologues with music.
 Headings are printed below only if specific cross references are needed.
